

Hussain (pbuh) gathers us around him

Even under the pretext of drinking a glass of tea, Imam Hussain (AS) gathers us around him;

Arbaeen is an excuse for all of us to become one family, whatever culture, religion, nationality and color we are, we all become one family.

The love of Imam Hussain (AS) makes us one heart and one voice;

That is, Imam Hussain (AS) makes us all wear the same color, gather in one place, call out the same name, and all sit at the same table and eat and drink.

God has freely placed the warmth of love of Imam Hussain (AS) in the hearts of all people, and our duty is to recognize this divine gift and make it flourish.
